

EVA FRICKE RIESLING RHEINGAU SCHLOSSBERG BEEREN AUSLESE 2022

Score **99**

One of the very rare, nobly sweet highlights of this vintage. What an incredible nose of floral honey this remarkable riesling BA has! You can almost hear the bees buzzing! Extremely concentrated and refined, this has a breathtakingly silky texture on the full-bodied but very focused palate. The almost endless finish wraps its tentacles around you and doesn't want to let go! Very limited production. From organically grown grapes. Vegan. Drinkable now, but best from 2025.

EVA FRICKE RIESLING RHEINGAU KRONE TROCKEN 2022

Score **98**

At first intensely flinty, after some aeration in the glass a citrus microcosmos, populated entirely by ripe lemon, bergamot, pomelo and yellow grapefruit opens up. Extremely concentrated and radical on the medium-bodied palate, this knocks almost all of the dry rieslings of the 2022 vintage off the table with its gigantic energy. The wet-stone minerality and Amalfi-lemon freshness build and build to a giant crescendo at the mind-bending finish. From organically grown grapes. Vegan. Drinkable now, but best from 2025.

EVA FRICKE RIESLING RHEINGAU SCHLOSSBERG 2022

Score **98**

How can you resist this barely off-dry riesling beauty? It's brimming with peach, nectarine and spring blossoms, plus a hint of fresh baguette yeastiness. Wonderfully juicy, thanks to the cornucopia of fruit, and extremely vibrant, thanks to the racy acidity on the medium-bodied palate. Extremely long finish with a super abundance of peach-skin and wet-stone character. Enormous aging potential. From organically grown grapes. Vegan. Drink or hold.

EVA FRICKE RIESLING RHEINGAU SELIGMACHER 2022

What an extraordinary nose of pink grapefruit, Thai basil and flint. This medium-bodied dry riesling is extremely focused and racy, but also wonderfully juicy, and the interplay of these two sides is like ying and yang. Electric energy powers the extremely long, stony and spicy finish. Great aging potential! From organically grown grapes. Vegan. Drink or hold.

EVA FRICKE RIESLING RHEINGAU MÉLANGE TROCKEN 2022

Score **95**

Stunning nose of Amalfi lemon, nectarine and white peach, together with notes of flint and freshly baked baguette. At once concentrated and firmly structured, this has so much earthy minerality that it already tastes very harmonious, although there's plenty of acidity here. Only medium-bodied, but it makes a bold statement. The long, harmonious and precise finish fully confirms this. Vegan. Drinkable now, but best from 2025.

EVA FRICKE RIESLING RHEINGAU TROCKEN 2022
